

OAKHURST FARMERS MARKET APPLICATION

We are accepting applications for spaces at our Oakhurst Farmers Market. Our market runs every Thursday 4-7p.m., May through September. All participants are expected to sell at each market unless previously arranged with Danielle. All spaces are 10' x 10' and you are expected to provide your own tents/tables. Spaces are limited so we encourage local growers and makers of artisan goods to submit an application as soon as possible. We will contact you with additional details once your application is approved. Please provide us with as much information as you can. You may return the application in person to Danielle at True Value Homecenter in Oakhurst or simply email it to dbryant@truevalue.net

Please initial next to each item:

- We have the right to ask you not to sell certain products if they are not on your initial application and approved by the market organizer.
- It is the vendor's responsibility to be in compliance with the county and have the proper permits and insurances when necessary.
- We require vendors to be responsible for their own timely set up, tear down and all equipment needed.
- We are hopeful wares and goods sold at the Oakhurst Farmers Market will be grown and produced locally in support of our mountain communities
- Once you have been assigned a space, we anticipate you will set up at the same location each week so your customers know where to find you. Occasionally you may be in a different spot due to traffic flow/attendance.
- If you miss a market without notifying Danielle in advance you may lose your assigned booth.
- Your booth must be set up for 4pm and torn down no later than 7:30 pm. We lock the gates to the parking lot at 7:30 pm.
